

THE UNIVERSITY OF HONG KONG
Department of Computer Science & Information Systems
B.Sc. (CSIS)
Project Enrolment Form (2002-2003)

This form should be completed by the student and returned to the office of Department of Computer Science on or before **June 22, 2002**.

1. You may choose up to 5 projects. Your applications will first be passed to the supervisor of your first choice. If your application is rejected by the teacher, it will be passed to the second choice and so on, until your application is accepted, or all your choices are exhausted.
2. You do not need to fill in all choices. However, there is a risk that all your choices are turned down, if the choices are popular.
3. If all your choices are rejected, you can still choose from the remaining projects during the second round allocation, where you will contact the supervisor directly.
4. Fill in the project title and supervisor column in the table provided, in priority.
5. Make sure that you have met the pre-requisite or co-requisite for the projects.
